

Volunteer

Volunteers are always needed and welcomed at the museum. There are many projects to choose from beginning with the May Flower Show and any of the fund raisers or working as a docent once a month from May to October. Of course there are always other small projects throughout the year. Volunteers are what keep the museum functioning so to get involved contact Peggy Mc Williams at 530-629-3884 or leave a message at the museum 530-629-2653.
